

CALABASAS HIGH SCHOOL 22855 Mulholland Highway, Calabasas, CA

June, 2006

Dear Graduates of 2006 and Soon-To-Be Seniors,

Congratulations to the Graduates and the new seniors too, for putting in another year of intense study and self discovery. Yahoo! Summer vacation is here!

It is our hope that as each of you ventures forward, you will remember how much your safety and well being matter to those in your family, school and community.

As you experienced first hand through the *Every15 Minutes* program, being under the influence of alcohol and drugs or speeding and allowing yourself to be distracted while driving, can end up in tragedy. You owe it to yourself, your family and friends to give the act of driving your full attention by being alert and sober behind the wheel.

For now you are all reaching a very exciting time in your lives. We truly wish each and every one of you a long, bright and happy future.

Have a joyous and fun summer,
Your Friends from *Every15 Minutes, 2005*
